Re : " SEVEN OCEANS " Drinking Water 0.5 ltr. and 500 gr.
Food Rations

In regard to your e-mail from 7 April, 2009, it is to confirm that the Israeli Administration of Shipping and Ports recognizes the certificate of type approval of the DET NORSKE VERITAS.

Therefore the said drinking water and the food rations are as before, agreeable to be carried on board Israeli registered ships.

The said items are subject to the conditions stated in the certificate of approval.

Issued at Haifa on th 7 April, 2009, valid until 30 June 2011.
The above approval may be withdrawn at any time if so considered by the Administration.

Yours sincerely,

Capt. E. Sternberg
Deputy Director
