Dear Sir

LIFERAFT DRINKING WATER IN SACHETS

We are in receipt of your letter of 18 May 1983 regarding our approval for "Seven Oceans" liferaft drinking water in sachets.

This brand of drinking water received our approval last year as also did liferaft drinking water in sachets packed by A/S Nordisk Gummibadsfabrik, P.O. Box 3060, Esbjerg 6700, Denmark.

Several New Zealand Companies are presently investigating the production of sacheted drinking water but at this stage these investigations are very tentative.

Yours faithfully

Captain S.J. Ponsford
